

Title : Chaos Drill

Category #1 : Stickhandling

Category #2 : Shooting

### Description

1. Scatter cones randomly in NZ
2. Two lines in corners directly across from each other.
3. On the whistle, one player leaves from each line.
4. Players skate full speed through neutral zone, "deking" at least three cones (keeping feet moving while stickhandling through the cones), then shoot in stride.
5. Remind players to keep their heads up through the neutral zone to avoid collisions!
