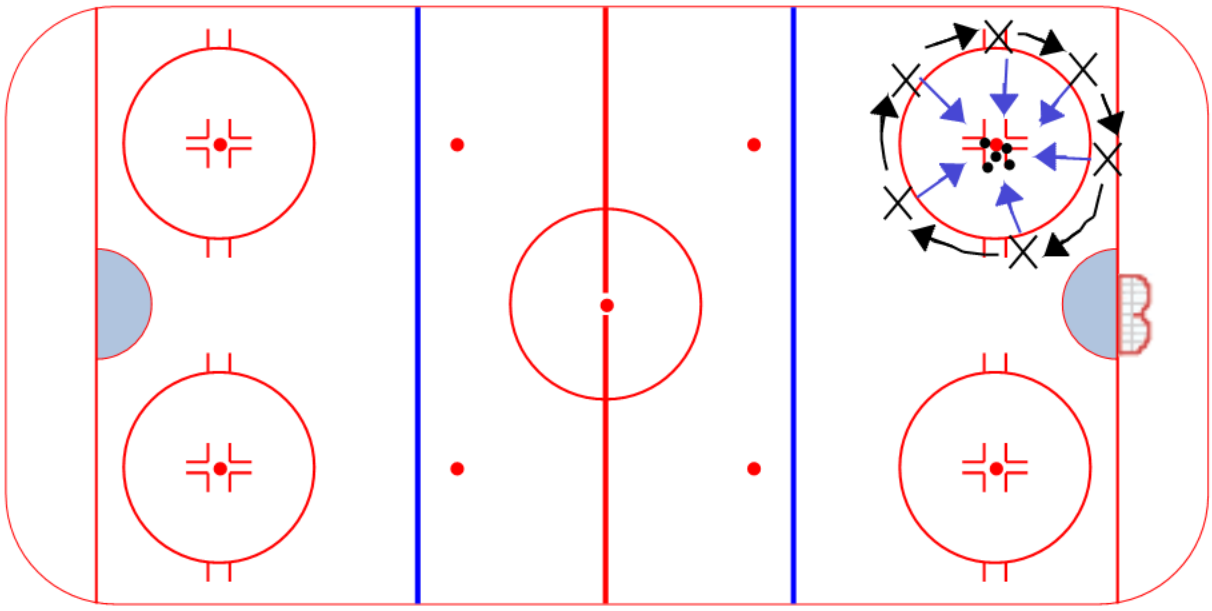
Title : Musical Pucks **Category #1 :** Small Area Games **Category #2 :** Skating

Content elements: **Components :**



Key Points : crossovers | battles | fun

Description

1. Put one less puck in the middle than you have players on circle
2. Players cross over until whistle
3. On whistle, each player tries to get a puck - whoever doesn't get one is out
4. Make sure to run it both directions so players practice crossing over both ways.
